RE: Coastal Zone Consistency for the Joint Logistics Over-The-Shore (JLOTS)
training exercise to take place in four locations in western Washington.

Dear Lieutenant Colonel House:

On March 7, 2016 the Department of Ecology (Ecology) received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above referenced project. The proposed federal activity includes training exercises that would take place at four locations in western Washington: the Port of Tacoma, Naval Magazine (NAVMAG) at Indian Island, Solo Point, and Vashon Island.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Department of the Army's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination please contact Loree' Randall at (360) 407-6068.
